Product description :

The Septem outdoor lamp is made from first-class teak hardwood. It features a built-in LED with a power of 3 watts, a light color of 2700 kelvin, and a brightness of 450 lumens. The light source can be tilted 10 degrees within the fixture. The driver is built into the fixture, making the input voltage a standard 230 volts. The Septem teak lamp stands at a height of 70 cm.
